

MÖWIUS CUT-PROTECTOR POWER

DESCRIPTION

MÖWIUS CUT-PROTECTOR POWER white with improved cut protection fibres. The thin yarn is mainly distinguished by its fine surface, thus offering better grip on its coating, even greater sensitivity and is less susceptible to hooking onto sharp objects. Thanks to the partial PU coating on the palm and fingertips they are slip resistant.

EN 388 CAT2
Packaging unit: 100 pairs
Sizes: 6 – 11
